# The Digital Journey with artificial intelligence:

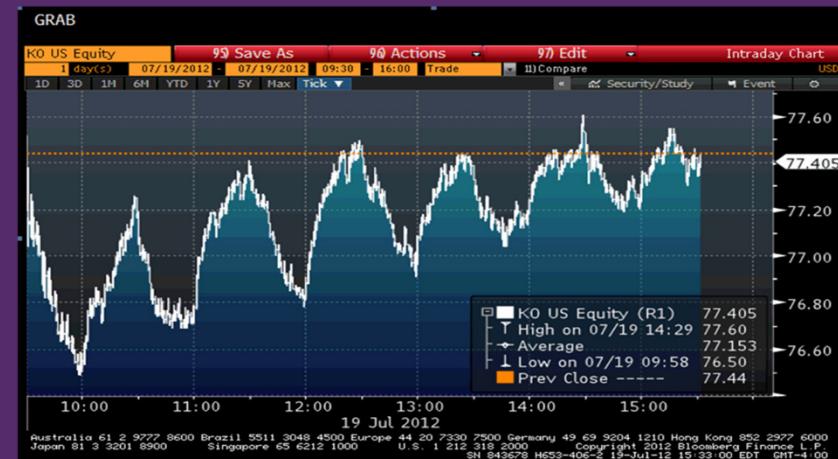

**What happens to your organization and culture when the AI turns on!**

Thomas F. Anglero, Dir. of Innovation, IBM Norway

## Robot (Algorithm) Stock Trading

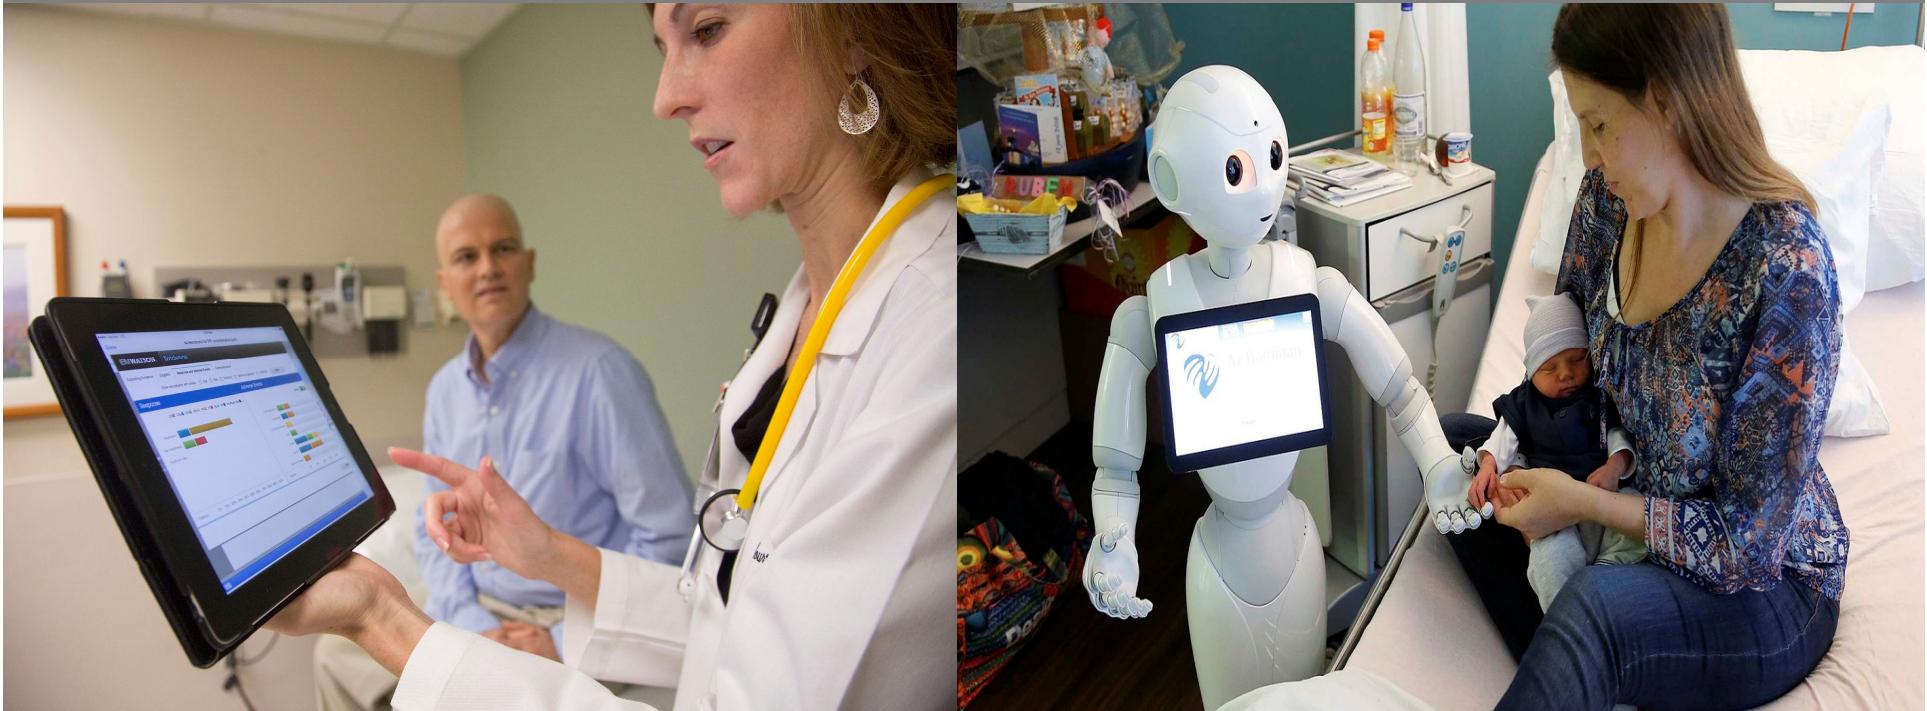

Robots read all the worlds news, social media feeds, etc. and then they buy/sell the best stocks in 0.01 second

70% of **all** stock trades done by robots, not people!

## Health and Research

... The doctor can make decisions with increased precision
